

A GUIDE FOR YOUR STAY

WELCOME TO YOUR NEW
HOME

VILLA MARIA
VIA EMPEDOCLE, 69, 98054 SAIATINE (ME)

MEET THE LANDLORD

WELCOME

NICE TO MEET YOU, I'M FRANCESCO!

Former electronics lab professor with a life divided between Milan and my beloved Sicily. Although I live in Milan for most of the year, I return regularly to my homeland every two months and reside there permanently from June to September to take care of my olive and citrus groves. I love reading detective novels and lighting the barbecue for a get-together with friends. Even when I am not physically at the villa, my passion for hospitality and technical precision, which has always been a part of me, are at your disposal to ensure you have a perfect stay, immersed in the secrets and traditions of my region.

1. PETS

Pets are welcome, subject to prior notification, but with some precautions.

‘We love animals, but we ask you not to let them on the beds or sofas. The garden is at their disposal, but please ensure that they do not disturb the peace and quiet of the neighbours and clean up after them to keep the area tidy for everyone.’

2. NO SMOKING

Smoking is strictly prohibited inside Villa Maria.

‘To ensure the freshness of the rooms and respect for future guests, we ask that you smoke only in outdoor areas (garden and verandas). Ashtrays are available for your use; please do not throw cigarette butts in flower beds or plant pots.’

3. REST HOURS (THE SICILIAN ‘CONTRORA’)

Please observe silence to respect the peace and quiet of the neighbourhood.

"In Sicily, afternoon and night-time rest is sacred. We ask you to avoid loud noises, loud music or disturbing noises during these times:

Afternoon (La Controra): from 2pm to 4pm

Night: from 11 p.m. to 8 a.m. Enjoy the peace of the garden and the rustling of the wind in the trees in total relaxation."

THANK YOU FOR YOUR UNDERSTANDING!

THINGS TO SEE

TINDARI AND THE ARCHAEOLOGICAL PARK

About a 15-minute drive away, Tindari is an essential destination that encompasses thousands of years of history:

Greek Theatre: Dating back to the 4th century BC, it was built taking advantage of the natural slope of the hill and offers a breathtaking view of the sea.

Sanctuary of the Black Madonna: An ancient and famous place of worship, built on the ruins of the ancient acropolis. The cedar wood statue of the Virgin Mary attracts pilgrims from all over the world.

Archaeological Area and Antiquarium: You can stroll among the ruins of the ancient cyclopean walls, the agora and Roman houses with mosaics still visible.

Via Teatro Greco, 98066 Tindari ME

About 1 hour and 10 minutes away. The pearl of the Mediterranean. Taormina needs no introduction, but its historical value is immense.

The Ancient Theatre: It is the second largest theatre in Sicily after the one in Syracuse. Its unique feature is the stage that opens directly onto Mount Etna and the Bay of Naxos. A view that has been breathtaking for over 2000 years.

Corso Umberto, 98039 Taormina ME

CEFALÙ AND ITS CATHEDRAL

About 1 hour and 15 minutes away. One of Italy's most beautiful villages, famous for its unique blend of sea and Norman art.

What to see: The Cathedral (a UNESCO World Heritage Site), famous for its Byzantine mosaics on a gold background depicting Christ Pantocrator. After taking in the culture, guests can enjoy a stroll through the medieval village or along the seafront.

Piazza del Duomo, 10, 90015 Cefalù PA

MILAZZO AND THE CASTLE

Just 20 minutes from the Villa, Milazzo is worth a visit not only for its harbour, but above all for its Arab-Norman Castle. It is a true "fortified city" dominating the promontory, with walls that tell the story of centuries of domination.

Not to be missed: a walk at sunset within the castle walls to enjoy a 360° view of the sea and the Aeolian Islands. After your visit, head down to the old town for an aperitif or continue on to Capo Milazzo to see the picturesque "Piscina di Venere" (Venus's Pool), a natural lake nestled among the rocks.

Salita Castello, 98057 Milazzo ME
